Erratum. Recommendations for Implementation of Dog Therapy Intervention in the Athletic Training Facility

TO OUR READERS: A change was made in the ahead-of-print version of the following article:

Covach R., Keenan L, Duckett E. Recommendations for implementation of dog therapy intervention in the athletic training facility. *Int J Athl Ther Train.* Published online June 21, 2024. https://doi.org/10.1123/ijatt.2022-0117

There was a claim made in the article that was not properly cited or referenced and can be found on page 2 at the top of the second column: “Finally, research from Ithaca College found that therapy dogs decreased student-athlete anxiety regarding seeking medical support and increased patients’ willingness to interact with athletic trainers.” The correct reference and citation have now been added, and as a result, the citations and references list have been renumbered accordingly. The article was corrected August 9, 2024. The authors apologize for the error.
