

## **Erratum. Swimming With the COSMED AquaTrainer and K5 Wearable Metabolic System in Breath-by-Breath Mode: Accuracy, Precision, and Repeatability**

TO OUR READERS: An error appeared in the following article:

Zacca R, de Souza Castro FA, Mottini Monteiro AS, Pyne DB, Vilas-Boas JP, Pinto Fernandes RJ. Swimming with the COSMED AquaTrainer and K5 wearable metabolic system in breath-by-breath mode: accuracy, precision, and repeatability. *Int J Sports Physiol Perform.* 2023;18(10):1152–1160. <https://doi.org/10.1123/ijsp.2022-0386>

During copy editing, the term “b·min<sup>-1</sup>” was mistakenly defined as beats per minute instead of breaths per minute and presented as “beats·min<sup>-1</sup>” several times throughout the article. The article was corrected September 20, 2023. We apologize for the error.
