### Erratum

In the article by Aloui A, Chaouachi A, Chtourou H, et al, "Effects of Ramadan on the Diurnal Variations of Repeated-Sprint Performance," in *Int J Sport Physiol Perform.* 8(3), p. 255, we printed two incorrect times of day. In the second paragraph under the Participants heading, "dinner between **10** and **11** PM) and sleeping habits (sleeping between **8** and **9** PM" should read "dinner between **8** and **9** PM) and sleeping habits (sleeping between **10** and **11** PM." We apologize for the error.
