Erratum. Proportion and Correlates of Children in the US-Affiliated Pacific Region Meeting Sleep, Screen Time, and Physical Activity Guidelines

TO OUR READERS: An error appeared in the ahead-of-print version of the following article:

In the PA and Sleep portion of the *Methods* section, data were described as being scored using an automated count-scaled algorithm in counts per minute. The correct measurement was counts per 15 seconds. This has been corrected in the text. The authors apologize for the error. The article was corrected May 20, 2024.
