## Subscription Options

Individuals may select from either online-only or print & online formats and select either a 1-year or 2-year option. Student pricing is available. See pp. 3–4 for pricing.

## Ways to Place an Order

- **Print & Online Subscriptions:** Individuals (including students) who wish to purchase a print & online subscription must place the order with our fulfillment office (contact details above).
- **Online-Only Subscriptions:** Individuals (including students) can purchase an online-only subscription:
  - Via the Human Kinetics Journals website (<https://journals.humankinetics.com>). See p. 5 for step-by-step instructions. Purchases made on the website provide immediate access.
  - Via the fulfillment office (contact details above). Please allow up to 2 weeks for processing of orders placed via the fulfillment office.

## General Policies

- Prepayment in full is required on all orders; only US dollars accepted.
- Subscriptions are for personal use only.
- Student subscribers must be prepared to verify student status.
- Claims policy: Claims are accepted one time per issue within 6 months of the mail date. Additional claims will require repurchase with prepaid traceable shipping.

\*Subscribers opting to receive print for CSSM will receive a single, year-end printed issue containing all cases published that volume year.

# How to Purchase on the Website

**Online-only** subscriptions may be purchased on the Human Kinetics Journals website. These purchases provide immediate access. To purchase online, you must have an account on the website ([sign up here](#)), be logged in to the website ([log in here](#)), and not hold an active subscription to the journal of interest. If needed, you can reset your password using the Password Recovery feature [here](#).

1. After logging in to the website (<https://journals.humankinetics.com/login>), navigate to the journal you would like to subscribe to. For a list of our titles, see: [Our Journals](#).
2. Once you have navigated to the journal of interest, click on any article title that has a closed red lock next to it (if the lock is green, your subscription may still be active).

3. Then, click the "Purchase Info" button.

4. A new box will pop up. On it, click on the “Subscribe to this Journal” dropdown menu:

The screenshot shows a journal article page with a dark blue header. The article title is "Comparison of the Physical Response During Official Matches and Small-Sided Games in International Cerebral Palsy Footballers: Implications for Evidence-Based Classification". Below the title, it says "In Adapted Physical Activity Quarterly". The authors listed are Javier Yanci, Daniel Castillo, Aitor Iturricastillo, Matías Henríquez, Alba Roldan, and Raúl Reina. The DOI is https://doi.org/10.1123/apaq.2021-0206. Keywords include soccer, brain impairment, external load, disability, and parasport. The first published online date is 23 May 2022. The page is from Volume 40, Issue 1, pages 4-18. On the right side, there are buttons for "Get Citation Alerts", "Get Permissions", and "Purchase Info". A white overlay box titled "Purchase Article" is shown, displaying "USD \$24.95" and a dropdown menu with "Subscribe to this Journal" selected. Below the dropdown is a blue button that says "Pay with PayPal".

From the dropdown menu, choose the subscription you desire and click on it.

5. Make sure the option you have selected displays, and then click “Pay with PayPal”.

This screenshot is similar to the previous one, showing the same article page. The white overlay box now displays "1 year online subscription" for "USD \$88.00". The dropdown menu still shows "Subscribe to this Journal" selected. The blue "Pay with PayPal" button is now highlighted with a red border. Below the button, there is a link to "Click here to view the full Terms and Conditions" and a disclaimer: "By purchasing this content you agree and accept the terms and conditions".

6. The transaction will be processed via PayPal (debit and credit accepted). Once the purchase is made, you will have immediate access to the subscribed content.
