How to Purchase on the Website

Online-only subscriptions, as well as single articles, may be purchased on the Human Kinetics Journals website. These purchases provide immediate access. To purchase online, you must have an account ([sign up here](#)), be logged in to the website ([log in here](#)), and not hold an active subscription to the journal of interest. If needed, you can reset your password using the [Password Recovery](#) feature.

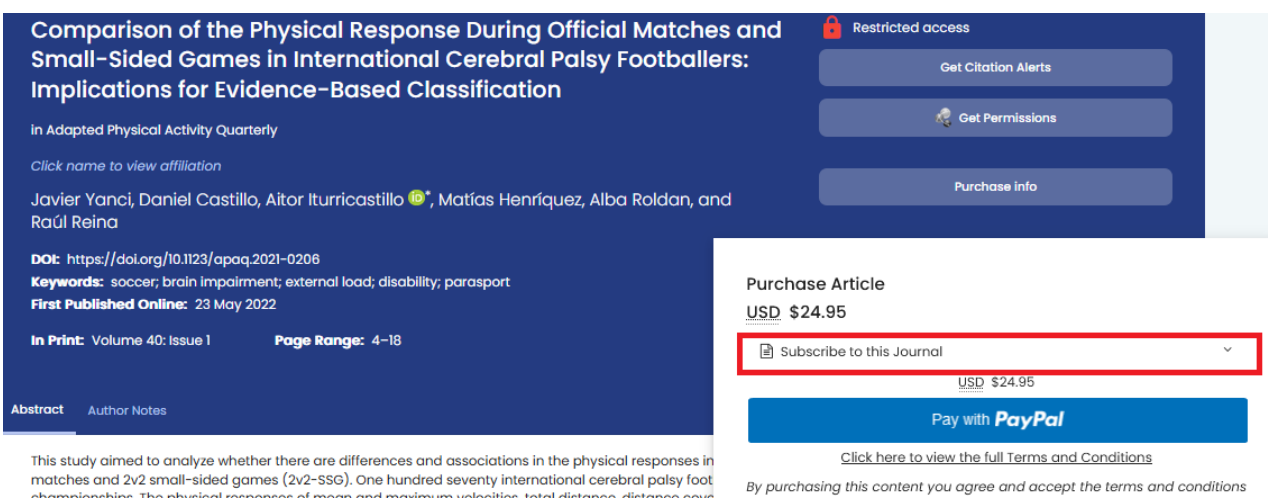

1. Log in to the website (<https://Journals.HumanKinetics.com/login>) and navigate to the journal you would like to subscribe to. For a list of our titles, see: <https://Journals.HumanKinetics.com/page/journals/our-journals>.
2. At the journal of interest, click on any article title that has a closed red lock next to it (if the lock is green, your subscription may still be active, or the article may be free).

3. Click the "Purchase Info" button.

4. In the pop-up, click the "Subscribe to this Journal" dropdown menu:

5. Confirm your selected purchase and click “Pay with PayPal”.

The screenshot shows a journal article page with a dark blue header. The article title is "Comparison of the Physical Response During Official Matches and Small-Sided Games in International Cerebral Palsy Footballers: Implications for Evidence-Based Classification". Below the title, it says "In Adapted Physical Activity Quarterly" and "Click name to view affiliation". The authors listed are "Javier Yanci, Daniel Castillo, Aitor Iturricastillo , Matías Henríquez, Alba Roldan, and Raúl Reina". The DOI is "https://doi.org/10.1123/apaq.2021-0206". Keywords are "soccer; brain impairment; external load; disability; parasport". It was first published online on "23 May 2022". The print information is "Volume 40: Issue 1" and "Page Range: 4-18". There are tabs for "Abstract" and "Author Notes".

On the right side, there is a "Restricted access" notification and three buttons: "Get Citation Alerts", "Get Permissions", and "Purchase Info".

Overlaid on the right is a purchase modal for a "1 year online subscription" for "USD \$88.00". It includes a "Subscribe to this Journal" button and a "Pay with PayPal" button, which is highlighted with a red border. Below the modal, there is a link to "Click here to view the full Terms and Conditions" and a disclaimer: "By purchasing this content you agree and accept the terms and conditions".

6. The transaction will be processed via PayPal (or debit / credit if available in your region). Once the purchase is made, you will have immediate access to the subscribed content, indicated by open green locks.
