

Open Access Offers

For a fee, authors of accepted peer-reviewed articles have the option to have their article published Open Access. Payment must be received in full for the article to be published Open Access. In addition to prepaying the fee, authors must complete and return this Request for Open Access form.

The Open Access option is offered only to authors whose manuscripts have been accepted for publication to ensure that the Open Access option has no influence on the peer review and acceptance process. Authors choosing to publish Open Access may either assign copyright to Human Kinetics or use one of the following Creative Commons licenses:

- Attribution-NonCommercial-NoDerivatives 4.0 International (CC BY-NC-ND 4.0). This license allows you to copy and redistribute the material in any medium or format, provided it is noncommercial, you have not modified it, and you give appropriate credit, provide a link to the license, and indicate if changes were made. See <https://creativecommons.org/licenses/by-nc-nd/4.0/>.
- Attribution-NonCommercial 4.0 International (CC BY-NC 4.0). This license lets you copy and redistribute the work in any medium or format, and also remix, transform, and build upon the material, provided the original work is properly cited and is not used for commercial purposes. Permission to use your work commercially must be requested from Human Kinetics. See <https://creativecommons.org/licenses/by-nc/4.0/>.
- Attribution 4.0 International (CC BY 4.0). This license lets you copy, distribute, remix, tweak, and build upon the work, even commercially, as long as appropriate credit is made, and a link to the license is included as well as indication of any changes that were made.
